

STORYBOARD

One panel per shot. Read left to right, top row first. Shot IDs match the shot list.

Project				Scene		Page		Date		Boards by		Version		Aspect	
						of								9:16 (vertical)	

Shot		Size / move		Time (s)		Shot		Size / move		Time (s)		Shot		Size / move		Time (s)	
Action					Action					Action							
Dialogue / SFX					Dialogue / SFX					Dialogue / SFX							

Shot		Size / move		Time (s)		Shot		Size / move		Time (s)		Shot		Size / move		Time (s)	
Action					Action					Action							
Dialogue / SFX					Dialogue / SFX					Dialogue / SFX							

Camera moves: arrows at or outside the frame edge. Subject moves: arrows inside the frame. Zoom: corner arrows. Push in: draw the end frame inside.
Print at 100% on A4. On US Letter paper, choose Fit to page (about 94%).
Dashed lines: approximate areas where app buttons and captions usually sit. They vary by platform and app version.
